## Mastermind

Ten teams took part in this year's district eliminator to choose a team to represent us at the county competition.

Did you know that Gordon Brown started scouts? That was news to us too!

Another team leader when asked a question on space, got the answer wrong, then remembered that his teacher had told them all about it the previous week and begged his team mates not to tell her that he had got the question wrong!!

However, at the end of the evening there were six teams that had scored more than 40 points and two teams with more than 50 points. In second place with a very creditable 51 points were 2<sup>nd</sup> Odiham Town pack but well out in front with 62 points were Ben, David and Jack from 1<sup>st</sup> Crookham Normans.

Congratulations to those cubs, I am sure that they will do us proud at the county mastermind!

## And they did

Three Cubs from 1<sup>st</sup> Crookham represented Odiham District at the County Mastermind final on 23<sup>rd</sup> May. The team answered questions for two minutes on three topics - General Knowledge, Science and Scouting. They scored a magnificent 47 correct answers with 4 passes, but this was not enough to win...and they were narrowly overtaken by the team from Southampton City, who scored 47 points with only 1 pass. A very close finish! Congratulations to Jack, Ben and David .
