

Chairman Report 2007 AGM

General

This has been another successful year for the Odiham 29th and we now have three thriving groups Beavers, Clubs and Scouts numbers are climbing and we are only constraint by our capacity to find and train more Leaders

Fund Raising

There have been a number of successful fund raising events (bag packing at Morrisons in particular) and more are planned for later in the year along, hopefully with a Barn Dance toward Autumn time.

The Den

The council have now renewed the Lease on the den for a further 14 years taking it to 2020. There are ongoing discussions concerning the refurbishment and extension of the den currently several committee members are talking with various parties (builders, council etc) on the feasibility, cost and timescale for works.

More recently there have been discussions about a complete rebuild (to a modular style building) early days on this one but it might prove to be more cost effective in the long run

Particularly would like to thank Steve Nash who recently gave up his free time and painted the Den

Finances

Over the fiscal year the group continues to run sound finances

Volunteers

As ever we are always looking for parents to join the executive or to go into uniform

Salutations

I would like thanks the leaders for all their hard work and commitment to making the whole thing work and making scouting fun for all also to thank all committee members and volunteers for their participation and work over the past 12 months
